

ANSWERS TO YOUR MOST FREQUENTLY ASKED QUESTIONS

► **How does my sponsored child actually benefit from \$27/month?**

At Every Orphan's Hope, you can have the peace of mind that 100% of your donation goes toward the care of your child. With this approach, we hope that you become 100% committed to praying for and communicating with your child.

► **Can I go visit my child?**

Yes, we offer short-term and long-term mission trips to Zambia every summer for sponsors, families, church groups, and interns. Visit our [Mission Trips](#) page for more information.

► **Am I the only one sponsoring this child or are there others?**

Our goal is to match 12 sponsors to one child. You will be able to communicate with your sponsorship family through Facebook. Please see "[Your Facebook Family](#)" guide.

► **How often will I receive an update from my child?**

We have a committed staff in Zambia who sends us updates every month regarding the progress of your child's education, health needs and prayer requests. As we receive these updates, we will include them on your Facebook Family page.

100% of your donation supports your child.

"Thank you for sponsoring me!"

► **Can I write to my child and send him or her gifts?**
